

Thank you for purchasing Promolux Balanced Spectrum lamps!

By installing Promolux in your display case you are ensuring increased product integrity, increased food safety, a reduction in shrinkage all the while creating a visually appealing display case that provides a “wow” effect for your customers.

We’d love to hear how Promolux has helped increase your sales, reduced your daily spoilage and improved your product integrity. By taking just one minute you will be helping us in learning what exactly Promolux customers are looking for, and the value they are receiving by installing Promolux lamps.
